Your Excellency & Distinguished mni,
LETTER OF CONDOLENCE

The Alumni Association of the National Institute (AANI), wishes to commiserate with you and your family members on the passing of your beloved wife, Her Excellency, Mrs. Jibike Akinsanya to eternal glory.

2. The demise of a spouse is always a great loss, in view of the position they occupy in our lives. However, we take solace in the fact that she lived a life of piety and contributed immensely to the growth and development of her immediate family and the society in general. We share in your grief and offer our support and prayers.

3. On behalf of the National Executive Committee (EXCO) and the entire members of the Alumni Association of the National Institute (AANI), we condole with you and pray to the Almighty God to grant her eternal rest and provide the entire family the fortitude to bear the irreparable loss.

4. Please accept our heartfelt sympathy.

Yours Towards a Better Society
